

AMERICAN IMMOBILIARE

2024 COMMERCIAL REAL ESTATE SCHOLARSHIP

The American Immobiliare College Scholarship Program was founded in 2016. Our goal is to support the next generation of Italian-American influencers and innovators in commercial real estate fields. The scholarship is open to graduate and undergraduate students nationally.

Recipients receive a scholarship that helps underwrite part of the cost of their college tuition. Our scholarships aid towards tuition but will not cover payment for all school costs.

Eligibility: Students who are of Italian descent (at least 25% Italian) and must be a citizen, national, or legal permanent resident of the United States. Strong emphasis on community service, leadership and solid academic achievement with a minimum GPA of 3.0.

Students must be attending a four-year accredited university/college in the United States and must be pursuing a full-time course of study on a matriculating basis.

Application Process: Students interested in receiving a scholarship must submit an application including additional required information that contains detailed and confidential personal information. A committee reviews and evaluates the applications and may ask select applicants and their families to visit for an interview.

Scholarships are a one-time award stipend for one year only.
